

# Steve Whitmore

[steve@swhitmore.com](mailto:steve@swhitmore.com)

970-237-9599

Fort Collins, CO

## Profile

- Experienced web developer seeking to step outside of comfort zone and grow as a programmer.
- I'm used to working remotely and enjoy a fast-paced environment with many opportunities to learn.
- Eager to learn about a range of disciplines including low-level programming, embedded electronics, compiler construction as well as artificial intelligence.

## Skills

### **Web Languages/Markup**

HTML5, CSS3, JavaScript, PHP, working knowledge of C#

### **Web Frameworks/Libraries**

jQuery, ReactJS, NodeJS, Bootstrap, working knowledge of Django and AngularJS

### **CMS**

Extensive WordPress experience, Drupal, ExpressionEngine, vBulletin, MyBB, Magento, CS-Cart, NetSuite

### **Customer Service**

Putting the client first, keeping them in the loop, and regular communication are my main focuses when dealing with clients

### **Graphic Design**

Adobe Photoshop, GIMP (GNU Image Manipulation Program), working knowledge of Adobe Illustrator

### **Marketing/SEO**

Email Campaigns, Copywriting, Keyword Analysis, SEO tools (Google Analytics, Woopra, Google Webmaster Tools)
